

### Up to 30,450,000 Shares of Common Stock

This prospectus supplement supplements the prospectus, dated August 8, 2024 (as amended or supplemented, the “**prospectus**”), which forms a part of our registration statement on Form S-1 (No. 333-280973). This prospectus supplement is being filed to update and supplement the information in the prospectus with the information contained in our Current Report on Form 8-K filed with the Securities and Exchange Commission (the “**SEC**”) on October 2, 2024 (the “**Current Report**”). Accordingly, we have attached the Current Report to this prospectus supplement.

The prospectus and this prospectus supplement relate to the potential offer and sale of up to 30,450,000 shares of our common stock, par value \$0.0001 per share (the “**common stock**”), by White Lion Capital, LLC (“**White Lion**” or the “**Selling Securityholder**”).

The shares of common stock to which the prospectus and this prospectus supplement relate may be issued to White Lion pursuant to the Common Stock Purchase Agreement dated July 16, 2024 between us and White Lion, as amended by Amendment No. 1 to the Common Stock Purchase Agreement dated July 24, 2024 (as amended, the “**White Lion Purchase Agreement**”), establishing an equity line of credit. Such shares of our common stock include (a) up to 30,000,000 shares of common stock that we may elect, in our sole discretion, to issue and sell to White Lion from time to time during the White Lion Commitment Period (as defined below) under the White Lion Purchase Agreement (assuming the shares to be issued are sold at a price of \$1.00 per share) and (b) up to 450,000 shares of common stock (the “**Commitment Shares**”) issuable to White Lion as consideration for it entering into the White Lion Purchase Agreement (assuming the shares to be issued are sold at a price of \$1.00 per share). See “*The White Lion Transaction*” below for a description of the White Lion Purchase Agreement and “*Selling Securityholder*” for additional information regarding White Lion.

The actual number of shares of our common stock issuable to White Lion will vary depending on the then-current market price of shares of our common stock sold to the Selling Securityholder under the White Lion Purchase Agreements and are subject to the further limitations set forth in the White Lion Purchase Agreement.

We are not selling any securities under the prospectus or this prospectus supplement and will not receive any of the proceeds from the sale of shares of common stock by the Selling Securityholder. Additionally, we will not receive any proceeds from the issuance or sale of the Commitment Shares. However, we may receive proceeds of up to \$30.0 million from the sale of our common stock to the Selling Securityholder pursuant to the White Lion Purchase Agreement after the date of the prospectus. The actual proceeds from White Lion may be less than this amount depending on the number of shares of our common stock sold and the price at which the shares of our common stock are sold.

The Selling Securityholder may sell or otherwise dispose of the shares of common stock described in the prospectus in a number of different ways and at varying prices. See “*Plan of Distribution*” for more information about how the Selling Securityholder may sell or otherwise dispose of the shares of common stock being registered pursuant to the prospectus. The Selling Securityholder is an “underwriter” within the meaning of Section 2(a)(11) of the Securities Act of 1933, as amended.

The Selling Securityholder will pay all brokerage fees and commissions and similar expenses attributable to the sales of its common stock. We will pay the expenses (except brokerage fees and commissions and similar expenses) incurred in registering the shares of common stock offered hereby, including legal and accounting fees. See “*Plan of Distribution*.”

**Item 1.01. Entry into a Material Definitive Agreement.**

As previously disclosed, on August 5, 2024, Complete Solaria, Inc., a Delaware corporation (the “Company”, “we” and “us”), entered into an Asset Purchase Agreement (the “APA”) among the Company, SunPower Corporation (“SunPower”) and the direct and indirect subsidiaries of SunPower (the “Debtors”) providing for the sale and purchase of certain assets relating to the Debtor’s Blue Raven Solar business and certain assets relating to the new homes business and non-installing dealer network previously operated by the Debtors (the “Acquired Assets”).

In connection with the closing of the transactions under the APA, on September 30, 2024, the Company, SunPower and the other Debtors entered into a Transition Services Agreement (the “TSA”) pursuant to which SunPower shall use commercially reasonable efforts to perform specified forward transition services relating to the Acquired Assets for the period set forth in the TSA. Additionally, during such transition services period, the Company shall use commercially reasonable efforts to perform specified reverse transition services to SunPower.

As consideration for the forward transition services provided by SunPower and the other Debtors, the Company will pay (a) specified license renewal and transfer fees, software license costs, employee costs, costs associated with insurance coverage, costs associated with banking services, certain facility costs, and certain other costs specified in the TSA, plus (b) all actual or necessary costs and out-of-pocket expenses incurred by SunPower in connection with the provision of the transition services, including for time spent by SunPower personnel and contractors in performing the forward transition services, plus (c) any additional license fees, consent costs, temporary right-of-use fees, royalties, or other amounts payable to any third party that may be necessary for SunPower and the other Debtors to provide the forward transition services. The Company will not receive any fees or remuneration for the reverse transition services provided by the Company to SunPower and the other Debtors.

At a hearing held on September 23, 2024, the United States Court for the District of Delaware approved the sale of the Acquired Assets and the transactions under the APA. The sale of the Acquired Assets and other transactions under the APA closed on September 30, 2024.

As previously disclosed, the Company issued and sold 7.00% Convertible Senior Notes due 2029 (the “Notes”), the proceeds of which are to be used to pay the purchase price payable under the APA and for general corporate purposes, including but not limited to working capital. Thurman J. Rodgers, the Company’s Chief Executive Officer and a director of the Company, purchased \$8,000,000 of the Notes. The remaining \$72,000,000 of the Notes issued or issuable by the Company were purchased or are issuable to investment funds and high net worth individuals who do not have material relationships with the Company.
