Section 3.20 Environmental, Health and Safety Laws. The sole member of Seller has determined that the consideration payable by Purchaser for the Purchased Assets is the reasonably equivalent value for such assets.

Section 3.23 Investment Representations. Seller hereby represents that (a) Seller is an "accredited investor" as that term is defined in Rule 501 of Regulation D promulgated by the SEC under the Securities Act and (b) Seller is sophisticated, is able to fend for itself, can bear the economic risk of its investment in the Consideration Shares and has the capacity to protect its own interests in connection with the purchase of the Consideration Shares by virtue of the business or financial expertise of itself or of professional advisors to such Seller who are unaffiliated with and who are not compensated by Purchaser or any of its Affiliates, directly or indirectly. Seller is acquiring the Consideration Shares for Seller's own account for investment only, and not with a view to, or for sale in connection with, any distribution of the Consideration Shares in violation of the Securities Act, or any rule or regulation under the Securities Act. (a) As a material inducement for Purchaser to enter into and perform its obligations under this Agreement, during the Restricted Period, Seller, for itself and on behalf of its Affiliates, agrees not to, directly or indirectly, either for itself or for any other Person own, operate, manage, control, engage in, participate in, invest in, permit its name to be used by, act as consultant or advisor to, render services for (alone or in association with any Person), or otherwise assist in any manner (collectively, the “Restricted Activities”), any customer or any Person that engages in or owns, invests in, operates, manages or controls any venture or enterprise which directly or indirectly engages or proposes to engage in Restricted Activities competitive with the Business anywhere in the world where Seller conducts Business; provided, that (i) the ownership of less than five percent (5%) of the outstanding stock of any publicly-traded corporation shall not be deemed to be engaging in any Restricted Activity solely by reason thereof, and (ii) between the Closing Date and the Completion Date, Seller and its Affiliates are permitted to (A) dispose of its

modular solar cell inventory in Europe that is held by Seller as of the Closing Date and (B) fulfill warranty obligations in the form of replacement products to its customers for sales made prior to the Closing Date from inventory reserves held by Seller as of the Closing Date (the activities described in the foregoing clauses (A) and (B), collectively, the “Permitted Post-Closing European Activities”). The term “Restricted Period” means the period beginning on the Closing Date and ending on the sixth (6th) anniversary of the Closing Date.

(b) During the Restricted Period, Seller agrees that it (i) shall not, and shall cause its Affiliates not to, directly or indirectly contact, approach or solicit for the purpose of offering employment to (whether as an employee, consultant, agent, independent contractor or otherwise) any Person employed by Purchaser at any time during the Restricted Period (including the Transferred Employees), without the prior written consent of Purchaser; provided, however, that this Section 7.11(b) shall not prohibit Seller or any of its Affiliates from conducting any general solicitations in a newspaper, trade publication or other periodical or web posting not specifically targeted at any Person employed by Purchaser; and (ii) shall not, directly or indirectly, take any action to, or intended to, interfere with, disrupt or divert any business relationship (whether formed heretofore or hereafter) between Purchaser or any of its Affiliates, on the one hand, and any customer, supplier, vendor, partner or prospects of the Business, on the other hand and (iii) shall not, directly or indirectly, make any statement or take any action to, or intended to, disparage the Business or its prospects.

(c) Seller acknowledges and agrees that, in the event of a breach or alleged breach by Seller or any of its Affiliates of any of the provisions of this Section 7.11, monetary damages shall not constitute a sufficient remedy. Consequently, in the event of any such breach or alleged breach, Purchaser or their respective successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of law or equity of competent jurisdiction for specific performance, injunctive relief, or both, or any other equitable remedies available to enforce or prevent any violations of the provisions hereof (including the extension of the Restricted Period by a period equal to (i) the length of the violation of this Section 7.11 plus (ii) the length of any court proceedings necessary to stop such violation), in each case without the requirement of posting a bond or proving actual damages.

Section 7.12 Registration Statement. Within ten (10) days following the Closing Date, Purchaser shall cause MSTL to file with the SEC (a) a registration statement on Form F-3 for resale of the Consideration Shares (the “Resale Shelf”) and (b) if necessary, a final prospectus under Rule 424 of the Securities Act pursuant to the Resale Shelf. Following the filing of the Resale Shelf with the SEC, Purchaser shall use its reasonable best efforts to direct MSTL to cause the effectiveness of the Resale Shelf to occur as soon as practicable after the Closing Date.

Section 7.13 Purchased Intellectual Property. Prior to, at or after the Closing until such time that the last-to-survive enforcement-related or protection-related provision in any Contract between Seller (or its assignee, transferee or delegate) and a Person (other than Purchaser) that relates to any of the Purchased Intellectual Property has terminated or expired, Seller shall do such acts and things, as reasonably requested by Purchaser from time to time to (a) enforce and protect, at Seller’s sole cost and expense, all of the rights and obligations of Seller (or its assignee, transferee or delegate) relating to any of the Purchased Intellectual Property (which enforcement shall not include initiating an Action for infringement) and (b) enforce and protect any of

Purchaser's rights with respect to any of the Purchased Intellectual Property (where any of such Purchased Intellectual Property is governed by a Contract between Seller (or its assignee, transferee or delegate) and a Person (other than Purchaser)); provided, that, with respect to clause (b), to the extent that Seller is required to initiate an Action for infringement on Purchaser's behalf under any such Contract, Purchaser shall reimburse the reasonable expenses of external counsel in initiating any such Action. Seller shall not, without Purchaser's prior written consent, (x) amend, restate or renew any Contract that relates to any of the Purchased Intellectual Property, (y) assign or transfer, in whole or in part, any Contract that relates to any of the Purchased Intellectual Property to a Person (other than Purchaser) or (z) enter into any Contract that relates to any of the Purchased Intellectual Property.

Section 7.14 USPTO Costs. Seller shall bear any and all costs and expenses incurred by Purchaser in connection with the recordation of lien releases on any of the Purchased Intellectual Property at the United States Patent and Trademark Office.

Section 7.15 Further Assurances. Each Party agrees (a) to furnish upon request to each other Party such further information, (b) to execute and deliver to each other Party such other documents, and (c) to do such other acts and things, all as the other Party may reasonably request (prior to, at or after each Closing) for the purpose of carrying out the intent of this Agreement and the transactions contemplated hereby.

Section 7.16 Trading Restrictions. The Parties agree that no more than twenty percent (20%) of the Consideration Shares shall be sold per trading day.

Section 7.17 Protection of Patents. Prior to the Closing, Seller shall continue to diligently and in good faith, at Seller's expense, (i) meet the pending deadlines or filing requirements as set forth in Annex C hereto, and (ii) record with the applicable patent offices outside of the United States the assignment of non-United States patents and patent applications by Flex Ltd. to Seller pursuant to that certain Patent Assignment, dated September 18, 2019, by and between Seller and Flex Ltd.

ARTICLE VIII TERMINATION

Section 8.1 Termination. Notwithstanding anything in this Agreement to the contrary, this Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Closing:

(a) by mutual written consent of Seller and Purchaser;

(b) by Seller, if Purchaser shall have breached any of its representations and warranties contained in this Agreement or Purchaser shall have breached any of its covenants, agreements or obligations contained in this Agreement, and such breach (i) would result in the failure of a condition set forth in Section 2.2(a) or Section 2.2(b) and (ii) is incapable of being cured prior to the Outside Date or, if capable of being cured prior to the Outside Date, has not been cured by the earlier of: (x) the date that is thirty (30) days after the date that Seller has notified Purchaser of such failure or breach and (y) three (3) Business Days before the Outside Date; provided, that Seller is not then in breach of any of its representations, warranties, covenants or agreements such that such failure or breach would give rise to the failure of a condition set forth in Section 2.3(a) or Section 2.3(b);

(c) by Purchaser, if Seller shall have breached any of its representations and warranties contained in this Agreement or Seller shall have breached any of its covenants, agreements or obligations contained in this Agreement, and such breach (i) would result in the failure of a condition set forth in Section 2.3(a) or Section 2.3(b) and (ii) is incapable of being cured prior to the Outside Date or, if capable of being cured prior to the Outside Date, has not been cured by the earlier of: (x) the date that is thirty (30) days after the date that Purchaser has notified Seller of such failure or breach and (y) three (3) Business Days before the Outside Date; provided, that Seller is not then in breach of any of its representations, warranties, covenants or agreements such that such failure or breach would give rise to the failure of a condition set forth in Section 2.2(a) or Section 2.2(b);

(d) by Seller or by Purchaser, subject to Section 10.13, if the Closing shall not have occurred on or prior to December 31, 2023 (the “Outside Date”); provided, that the right to terminate this Agreement under this Section 8.1(d) shall not be available to any Party whose failure to perform any covenant, agreement or obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing to occur on or before such date; or

(e) by Seller or by Purchaser, if an Order preventing the consummation of the transactions contemplated hereby shall have become final and non-appealable.

Section 8.2 Effect of Termination. If this Agreement and the transactions contemplated hereby are abandoned as described in Section 8.1, this Agreement shall become null and void and of no further force and effect, except that Section 7.9, Section 7.10, this Section 8.2, Section 8.3 and Article X shall survive the termination of this Agreement; provided, that nothing in this Section 8.2 shall be deemed to release any Party from any Liability for willful and material breach by such Party of the terms and provisions of this Agreement occurring prior to such termination.

Section 8.3 Notice of Termination. In the event of termination by Seller or Purchaser pursuant to Section 8.1, written notice of such termination shall be given by the terminating Party to the other Party to this Agreement.

ARTICLE IX INDEMNIFICATION

Section 9.1 Survival. The representations and warranties of the Parties contained in this Agreement shall terminate upon the Closing, and thereafter, other than with respect to any Fraud or willful misconduct, there shall be no liability or obligation on the part of, nor shall any claim be made by, any Party or any of their respective Affiliates in respect thereof, in connection therewith or related thereto. The covenants and other agreements set forth in this Agreement shall survive the Closing until fully performed in accordance with this Agreement, except for the covenants under Section 7.13, which shall survive indefinitely. The Parties intend for the survival periods in this Section 9.1 to supersede the statute of limitations otherwise applicable to such representations, warranties and covenants. For the avoidance of doubt, the obligations of Purchaser to issue the Consideration Shares shall survive the Closing.

Section 9.2 Indemnification by Seller. From and after the Closing, subject to the other provisions of this Article IX, Seller shall indemnify and defend Purchaser and its Affiliates and their respective Representatives and successors and assigns (collectively, the "Purchaser Indemnitees") from and against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Purchaser Indemnitees based upon, arising out of, with respect or by reason of: (a) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Seller pursuant to this Agreement, (b) any Excluded Asset or Excluded Liability, (c) the operation of the Business on or prior to the Closing Date, (d) any claim for Fraud or willful misconduct against Seller or (e) any Third-Party Claim involving any of the foregoing.

Section 9.3 Indemnification by Purchaser. From and after the Closing, subject to the other provisions of this Article IX, Purchaser shall indemnify and defend Seller and its Affiliates and their respective Representatives and successors and assigns (collectively, the "Seller Indemnitees") from and against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Seller Indemnitees based upon, arising out of, with respect or by reason of: (a) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Purchaser pursuant to this Agreement, (b) any Assumed Liability, (c) any claim for Fraud or willful misconduct against Purchaser, or (d) any Third-Party Claim involving any of the foregoing.

Section 9.4 Limitations. The amount of any Losses for which indemnification is provided under Section 9.2 or Section 9.3 shall be net of (i) any amounts recovered by an Indemnitee (net of any costs of investigation of the underlying claim and of collection) pursuant to any indemnification by or indemnification agreement with any Person (other than this Agreement), and (ii) any insurance proceeds, net of any costs of investigation of the underlying claim, costs of collection and the actual increase in insurance premiums attributable to such recovery under such insurance policies, received by the applicable Indemnitee as an offset against such Losses (each source of recovery referred to in clauses (i) and (ii), a "Collateral Source"). If the amount to be netted hereunder in connection with a Collateral Source from any payment required under Section 9.2 or Section 9.3 is received after payment by any indemnifying party hereunder (an "Indemnifying Party") of any amount otherwise required to be paid to the Indemnitee pursuant to Section 9.2 or Section 9.3, the Indemnitee shall repay to the Indemnifying Party, promptly after such receipt, any amount that the Indemnifying Party would not have had to pay pursuant to this Section 9.2 or Section 9.3 had such receipt occurred at the time of such payment. Each Indemnitee acknowledges its common law duty to mitigate damages.

Section 9.5 Procedures for Indemnification. Promptly after receipt by an Indemnitee of written notice of the assertion or the commencement of any Action by a third party (a "Third-Party Claim") with respect to any matter referred to in Section 9.2 or Section 9.3, the applicable Indemnitee shall give written notice thereof to the Indemnifying Party, which notice shall include a description of the Action, the amount thereof (if known and quantifiable) and the basis for the Action, and thereafter shall keep the applicable Indemnifying Party reasonably informed with respect thereto; provided, that failure of the applicable Indemnitee to give the Indemnifying Party notice as provided herein shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that the Indemnifying Party is materially prejudiced thereby. Thereafter, the applicable Indemnitee shall deliver to the Indemnifying Party, promptly following the

Indemnitee's receipt thereof, copies of all notices and documents (including court papers) received by the Indemnitee to the extent relating to the Third-Party Claim and reasonably necessary to the Indemnifying Party's analysis thereof. A claim for indemnification by an Indemnitee for any matter not involving a Third-Party Claim may be asserted by notice to the Indemnifying Party. The Indemnifying Party shall have the right to control the defense and handling, and settle or compromise, of any Third-Party Claim at its sole expense; *provided*, that the Indemnitee shall be entitled to participate in the defense of such Action giving rise to its claim for indemnification at the Indemnifying Party's expense, and at its option (subject to the limitations set forth below) by appointing a counsel reasonably acceptable to the applicable Indemnitee to be the lead counsel in connection with such defense; *provided*, that:

(a) the Indemnitee shall be entitled to participate in the defense of such claim and to employ counsel of its choice for such purpose; provided, that the fees and expenses of such separate counsel shall be borne by the Indemnitee (other than any fees and expenses of such separate counsel that are incurred prior to the date the Indemnifying Party effectively assumes control of such defense which, notwithstanding the foregoing, shall be borne by the Indemnifying Party, and except that the Indemnifying Party shall pay all of the fees and expenses of such separate counsel if a reasonable likelihood exists of a conflict of interest between the Indemnifying Party and the Indemnitee);

(b) the Indemnifying Party shall not be entitled to assume control of such defense (unless otherwise agreed to in writing by the Indemnitee) and shall pay the fees and expenses of counsel retained by the Indemnitee if (i) the claim for indemnification relates to or arises in connection with any criminal or quasi-criminal proceeding, action, indictment, allegation or investigation; (ii) the Indemnitee reasonably believes an adverse determination with respect to the Action giving rise to such claim for indemnification would be detrimental to or injure the Indemnitee's reputation or future business prospects of the Indemnitee; (iii) the claim seeks an injunction or equitable relief against the Indemnitee; (iv) a reasonable likelihood exists of a conflict of interest between the Indemnifying Party and the Indemnitee; (v) upon written notice from the Indemnitee to the Indemnifying Party that the Indemnifying Party failed or is failing to vigorously prosecute or defend such claim with reasonable detail of the Indemnitee's good faith justifications for such determination; and

(c) if the Indemnifying Party shall control the defense of any such claim, the Indemnifying Party shall obtain the prior written consent of the Indemnitee before entering into any settlement of a claim or ceasing to defend such claim.

Section 9.6 Exclusive Remedy. Other than in the case of Fraud or willful misconduct, or as expressly set forth in any other Transaction Document, each Party acknowledges and agrees that the indemnification provisions set forth in this Article IX shall be the exclusive remedy of the Parties with respect to this Agreement or any document, certificate or instrument delivered in connection herewith or therewith, it being agreed that nothing herein shall limit or impair any Party's right to obtain specific performance or other non-monetary injunctive relief with respect to this Agreement or any document, certificate or instrument delivered in connection herewith or therewith.

Section 9.7 Nature of Indemnification Payments. Any indemnification payment made by Seller pursuant to this Article IX shall be deemed by the Parties as an adjustment to the consideration paid by Purchaser to Seller pursuant to the terms hereof.

Section 9.8 Purchaser Acknowledgement. Purchaser acknowledges and agrees that, except for the representations and warranties of Seller expressly set forth in Article III (as modified by Disclosure Schedules) or in the certificate delivered by Seller to Purchaser pursuant to Section 1.6(a)(x), neither Seller nor any of its Representatives nor any other Person acting on Seller's behalf makes or has made, any representation or warranty of any kind, nature or description, express or implied, including any warranty of title, merchantability or fitness of any Purchased Assets for a particular purpose or with respect to the future operational performance of the Purchased Assets or Business Services.

Section 9.9 Waiver. Purchaser hereby waives, from and after the Closing, any and all rights, claims and causes of action which Purchaser may have against Seller, Seller Parent or any of their respective Affiliates or any of their respective managers, officers, directors, employees or successors arising out of, resulting from or relating to any breaches of representations and warranties contained in Article III of this Agreement; provided, however, that such waiver shall not limit the liability of a Person for a claim for Fraud or willful misconduct against such Person.

ARTICLE X GENERAL PROVISIONS

Section 10.1 Entire Agreement. This Agreement and the other Transaction Documents, and the Annexes, Schedules and Exhibits hereto and thereto, along with the Disclosure Schedule and the Confidentiality Agreement, constitute the entire agreement and understanding between the Parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings relating to such subject matter.

Section 10.2 Assignment. Neither this Agreement nor any of the rights and obligations hereunder may be assigned or transferred by either Party (whether by operation of Law or otherwise) without the prior written consent of the other Party; provided, that either Party may assign this Agreement may be assigned to an Affiliate of such Party or to any acquirer of such Party or of the assets to which this Agreement relates. Any attempted assignment in violation of this Section 10.2 shall be void. Subject to the two preceding sentences, this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns.

Section 10.3 Amendments and Waivers. This Agreement may not be amended, except by an instrument in writing signed by each of the Parties. By an instrument in writing, Purchaser, on the one hand, or Seller, on the other hand, may waive compliance by the other with any term or provision of this Agreement that the other Party was or is obligated to comply with or perform. Such waiver or failure to insist on strict compliance with such term or provision shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure of compliance.

Section 10.4 No Third-Party Beneficiaries. Except with respect to the Purchaser Indemnitees and the Seller Indemnitees solely with respect to Article IX, each Party hereby agrees this Agreement is not intended to, and does not, confer upon any Person other than the Parties any rights or remedies hereunder.

Section 10.6 Governing Law and Jurisdiction. This Agreement is to be construed in accordance with and governed by the internal Laws of the State of Delaware without giving effect to any choice of law rule that would cause the application of the Laws of any jurisdiction other than the internal Laws of the State of Delaware to the rights and duties of the Parties. Any legal suit, action or proceeding arising out of or relating to this Agreement will be commenced in a federal court in the District of Delaware or in state court in the County of New Castle, Delaware, and each Party to this Agreement irrevocably submits to the exclusive jurisdiction and venue of any such court in any such suit, action or proceeding.

Section 10.7 Waiver of Jury Trial. EACH PARTY TO THIS AGREEMENT WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY OF THEM AGAINST THE OTHER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. NO PARTY TO THIS AGREEMENT SHALL SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING, COUNTERCLAIM OR ANY OTHER LITIGATION PROCEDURE BASED UPON, OR ARISING OUT OF, THIS AGREEMENT OR ANY OF THE OTHER TRANSACTION DOCUMENTS. NO PARTY HERETO WILL SEEK TO CONSOLIDATE ANY SUCH ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. EACH PARTY TO THIS AGREEMENT CERTIFIES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT OR INSTRUMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS SET FORTH ABOVE IN THIS SECTION 10.7. NO PARTY HERETO HAS IN ANY WAY AGREED WITH OR REPRESENTED TO ANY OTHER PARTY THAT THE PROVISIONS OF THIS SECTION 10.7 WILL NOT BE FULLY ENFORCED IN ALL INSTANCES.

Section 10.8 Expenses. Except as otherwise set forth herein, each Party shall pay all of its own fees, costs and expenses (including fees, costs and expenses of legal counsel and other representatives) in connection with the negotiation of this Agreement, the performance of its obligations hereunder and the consummation of the transactions contemplated hereby.

Section 10.9 No Waiver. No delay, failure or waiver by any Party to exercise any right or remedy under this Agreement, and no partial or single exercise of any such right or remedy, will operate to limit, preclude, cancel, waive or otherwise affect such right or remedy, nor will any single or partial exercise of such right or remedy limit, preclude, impair or waive any further exercise of such right or remedy or the exercise of any other right or remedy.

Section 10.10 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 10.11 Counterparts; Exchanges by Electronic Delivery. This Agreement may be executed in any number of counterparts which may be delivered by electronic mail (including .pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method, and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes, each of which shall be deemed to be an original, but all of which counterparts shall together constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by electronic delivery in .pdf format shall be sufficient to bind the Parties to the terms and provisions of this Agreement.

Section 10.12 Interpretation. For the purposes of this Agreement, (a) words in the singular include the plural and vice versa, and words of one gender shall be held to include the other gender as the context requires; (b) references to the terms Article, Section, paragraph, Annex, Exhibit and Schedule are references to the Articles, Sections, paragraphs, Annexes, Exhibits and Schedules to this Agreement unless otherwise specified; (c) the terms “hereof,” “herein,” “hereby,” “hereto,” and derivative or similar words refer to this entire Agreement, including the Schedules and Exhibits hereto; (d) references to “\$” shall mean U.S. dollars; (e) the word “including” and words of similar import when used in this Agreement and the other Transaction Documents shall mean “including without limitation,” unless otherwise specified; (f) the word “or” shall not be exclusive; (g) references to “written” or “in writing” include in electronic form; (h) the table contents and headings contained in this Agreement and the other Transaction Documents are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement and the other Transaction Documents; (i) Seller and Purchaser have each participated in the negotiation and drafting of this Agreement and the other Transaction Documents and if an ambiguity or question of interpretation should arise, this Agreement and the other Transaction Documents shall be construed as if drafted jointly by the Parties or the parties thereto, as applicable, and no presumption or burden of proof shall arise favoring or burdening any Party by virtue of the authorship of any of the provisions in this Agreement or the other Transaction Documents; (j) a

reference to any Person includes such Person's successors and permitted assigns; (k) where used with respect to information, the phrases "delivered" or "made available" means that the information referred to has been physically or electronically delivered to the relevant parties or their respective Representatives, including, in the case of "made available" to Purchaser, material that has been made available in the Project Taurus virtual data room established by Seller in connection with this Agreement hosted by Lightserve Corporation (which shall continue to be made available from the date hereof until the Closing) prior to the date hereof (or the Closing Date, in the case of information required to be delivered or made available prior to the Closing Date); (l) any reference to "days" means calendar days unless Business Days are expressly specified; (m) the word "extent" and the phrase "to the extent" shall mean the degree to which a subject or other thing extends, and such word or phrase shall not merely mean "if"; (n) when calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded and if the last day of such period is not a Business Day, the period shall end on the next succeeding Business Day; and (o) any reference herein or in any other Transaction Document to any agreement or other instrument or statute or regulation is to such agreement, instrument, statute or regulation as amended and supplemented from time to time (and, in the case of a statute or regulation, to any successor provision).

Section 10.13 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled at law or in equity.

Section 10.14 Seller Parent Guaranty.

(a) Seller Parent fully, irrevocably and unconditionally guarantees to Purchaser, as a primary obligor and not merely as a surety, the full, complete and timely compliance with and performance of all agreements, covenants and obligations of Seller from time to time under this Agreement (the "Seller Obligations"; such guaranty, the "Seller Parent Guaranty"). The Seller Obligations shall include Seller's obligation to satisfy all obligations of Seller arising in connection with this Agreement, in each case, when and to the extent that, any of the same shall become due and payable or performance of, or compliance with, any of the same shall be required. Seller Parent hereby acknowledges and agrees that the Seller Parent Guaranty constitutes an absolute, present, primary, continuing and unconditional guaranty of performance and not of collection only, and compliance by Seller of the Seller Obligations when required and otherwise due under this Agreement is in no way conditioned or contingent upon any attempt to enforce such performance, compliance or payment by a guaranteed party upon any other condition or contingency. Seller Parent hereby waives any right to require a proceeding first against Seller. The Seller Obligations shall not be subject to any reduction, limitation, impairment or termination for any reason (other than by indefeasible payment or performance in full of the Seller Obligations) and shall not be subject to any discharge of Seller from any of the Seller Obligations in a bankruptcy or similar proceeding (except by indefeasible payment or performance in full of the Seller Obligations). The Seller Parent Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any such obligation or liability is rescinded or must otherwise be restored by Purchaser or any of its Affiliates upon the bankruptcy or reorganization of Seller, any of its Subsidiaries or otherwise.

(b) Seller Parent represents and warrants that: (i) it is a corporation duly incorporated, validly existing and in good standing under the applicable Laws of the State of Delaware and has full corporate power and authority to execute and deliver this Agreement and each other Transaction Document to which it is a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby, including the Seller Parent Guaranty; (ii) the execution and delivery by Seller Parent of this Agreement and each other Transaction Document to which it is a party, the performance by Seller of its obligations hereunder and thereunder and the consummation by Seller of the transactions contemplated hereby and thereby have been duly and validly authorized and approved by all necessary corporate action required of Seller Parent and no other corporate proceedings on the part of Seller Parent are necessary to authorize this Agreement or any other Transaction Document or to consummate the transactions contemplated hereby or thereby; and (iii) this Agreement has been, and when executed, each of the other Transaction Documents to which Seller Parent is a party will be duly and validly executed and delivered by Seller Parent (assuming due authorization, execution and delivery by each other party hereto and thereto), subject to any applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or to general principles of equity.

(c) Seller Parent hereby irrevocably designates and appoints Seller and any successor thereof to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents which may be served in any claim by or before any Governmental Authority arising out of or in connection with this Agreement.

(Nasdaq: MAXN) (“Maxeon”), a global leader in solar innovation and channels, and Complete Solaria, Inc., (Nasdaq: CSLR) (“Complete Solaria”), a leading solar technology, services, and installation company, have announced today that Complete Solaria’s subsidiary, SolarCA LLC, has entered into an Asset Purchase Agreement for the sale of certain assets to Maxeon. The agreement also includes a supply agreement for Maxeon to supply its premium, high-performance, high-efficiency solar panels to Complete Solaria. The assets to be acquired include Solaria’s dealer channel operations and contracts as well as Complete Solaria’s solar panel patent portfolio relating primarily to shingled cell solar panel technology.

Maxeon’s CEO Bill Mulligan commented, “We will be very happy to welcome Solaria’s dealer channel sales operations to the Maxeon family following close of the transaction. We expect that this transaction will expand our U.S. DG market footprint in two ways. First, incorporation of Solaria’s nationwide dealer channel will inject infrastructure, capabilities and reach that should meaningfully accelerate our direct sales efforts. Second, this transaction enables immediate access to a qualified source of tariff-free solar panels that we plan to market adjacent to our flagship IBC solar panels, allowing us to replicate in the US market the “better-best” product strategy we have successfully employed in our international markets for years. Finally, this transaction will allow Maxeon to consolidate two major shingled-cell IP portfolios, adding to the over 130 granted patents and over 80 pending patent applications for fundamental shingled solar cell panel technology that Maxeon designs and manufactures globally, and which we plan to use in our announced cell and module manufacturing facility in Albuquerque, New Mexico.”

Complete Solaria CEO Will Anderson said, We are pleased that Maxeon will be taking advantage of our work building an extensive patent portfolio and a nationwide dealer channel. Maxeon, with its strong manufacturing expertise, global footprint and supply chain capability is well equipped to advance the solar panel product line. This transaction will provide Complete Solaria with capital to optimize our end-to-end customer offering, including beautiful, high-quality solar energy systems with Maxeon premium, high performance solar panels. Concentrating on our core systems segment will benefit both our business and our shareholders.”

Closing of this transaction is subject to satisfaction of various conditions.
